Are you concerned with the delivery of foot care in diabetes?

Putting Feet First

12 June 2009

Ambassadors Bloomsbury, 12 Upper Woburn Place,
London, WC1H 0HX

This is your opportunity to shape the future delivery of diabetes foot care services

You are invited to the launch of the new Foot Care Guidance for the commissioning of diabetes hospital foot care services.

This interactive event will provide an opportunity for all those concerned with specialist foot care to have their say, and to help shape the future of the specialist management of foot disease.

Who should attend?

Anyone who wants to make a difference to people living with diabetes including;

Commissioners
Clinicians
Surgeons
Podiatrists
Primary Care
People with diabetes….
Public Health Representation
Strategic Health Authorities
